SECTION B – PROFESSIONAL COMPETENCE REPORT

Section B is to provide evidence of more than 2000 words that you have attained the required level of professional competency to support your application for Chartered Engineer in Singapore.

PART 1: Evidence that you have applied knowledge of widely-applied engineering principles to the local practice.

SECTION B

PART 2: Evidence that you have the ability to define, investigate and analyses complex problems; to design or develop solutions to complex problems; and to evaluate the outcomes and impacts of these solutions.

A large, empty rectangular box with a thin black border, intended for the applicant to provide evidence for Part 2 of the application form.

SECTION B

PART 3: Evidence that you have recognised the implications of your work as an engineer – taking into account foreseeable social, cultural and environmental effects of complex activities; having regard to the need for sustainability; recognising the need to protect public health and safety; and meeting ethical, legal and regulatory requirements and protect in the course of the complex activities.

Empty response box for providing evidence.

SECTION B

PART 4: Evidence that you have managed and are responsible for making decisions on part or all of one or more complex activities; recognised complexity and assesses alternatives in light of competing requirements and incomplete knowledge; and exercise sound judgment.

A large empty rectangular box intended for providing evidence and details for Part 4.

SECTION B

PART 5: Evidence of interpersonal and communication skills, and high standards of professional conduct in your activities.

A large, empty rectangular box with a thin black border, intended for the applicant to provide evidence of their interpersonal and communication skills, as well as their professional conduct. The box occupies most of the page below the header.

SECTION B

PART 6: DECLARATION BY APPLICANT

The competence and commitment report presents a true account of my professional working experience.
